Nokia 1208 User Guide—doquint.ca
I have just purchased the Nokia 1208. It's fresh out of the box brand new. As mentioned above, the user manual is abysmal as a whole and does not include security code information. I've tried security code 12345, but it's not working. Any idea why the code would not work, or any idea on what other default security code Nokia may use?
