Nursing Competency Exam Generations Home Care

The competency framework aligns the competencies with the Knowledge and Skills Framework of the National Health Service. (DoH 2004). This has at times resulted in certain competencies seeming to overlap with or be equally appropriate to dimensions other than the one in which they are included.

General Practice Nurse competency framework | GP ...

The term nursing competency refers to the capability of performing three main nursing skills, including clinical nursing care, the nurse's ethical thinking, and accurate nursing skills. These skills are the core ones that are needed for a person to qualify as a nurse to take care of those in need. A nursing competency checklist is formed as a 'to-do list'.

Generations Home Health

As a result of the Affordable Care Act, increases in aging populations, and advances in technologies, there is a critical need for highly qualified, competent home healthcare nurses. According to the Joint Commission's Human Resource Standard, home healthcare nurses must demonstrate their competency at least every 3 years by participating in in-service education (The Joint Commission, 2013).
