On the Edge - Wikipedia
Probably the most thoroughly enjoyable part about "On the Edge" is the unvarnished portrayal of the engineers and executives. Chuck Peddle, Bill Herd, Irv Gould, and Jack Tramiel are profane, urgent men, men who wanted to build machines, to build empires. Their story is told with great candor and detail.

Huf Eisenbruch is the most spectacular point on this glacier that you would want to check out because it is where you will find the most majestic ice towers. This glacier also allows you to go back in time because some of the ice here was formed thousands of years ago. If you are a hiker, then you will love the Pasterze glacier.
