Oracle DBA Pocket Guide by David C. Kreines (Paperback ...

This pocket guide is great for quickly looking up syntax and usage of all the common Oracle DBA commands. If you are a seasoned Oracle DBA and you have it all memorized it might be of limited help, but if your like me where you are primarily a software developer then it's great. It covers everything from installation to backup and recovery. This is not a book to learn Oracle from, but for a quick reference to jog your memory it's great.
