Personalization link

for OAF ... - Oracle
Blogs

Description Course
includes Basic
understanding of
OAF Architecture,
Application
Development,
Personalization and
Extension. The course
is full of practical
example which will
give user a feel of

how to start working in OAF in real time projects.

Oracle Application Framework(OAF) - Beginners to Expert ... In OAF the page definitions are stored in JDR tables normally called MDS repository.In the standard application sometimes customer

wants some degree of changes in the display/functionality.OAF has a mechanism called Personalization to achieve this.Personalizations are also stored in MDS but a layer above the page definition.So it is upgrade safe.
