Horn Book 's Best Nonfiction Books of 2011. As a child, Claire Nivola loved summers in Orani, the village where her father grew up and where her many aunts, uncles, and 50 cousins still lived. She ran freely through the town's cobbled streets with packs of cousins, who quizzed her about America while she took in all the simple joys and pleasures of daily life in a village where surprises met them at every turn.

Orani: My Father's Village by Claire A. Nivola

Orani is a memoir of the author's childhood visits to her father's ancestral village in Italy. While it is a great children's book, it is also much more than that---author-illustrator Claire Nivola is using the picture book as an art form in itself.

From the opening line of Orani: My Father ' s Village, Sardinia became a place I would love to visit, not that an island in the Mediterranean Sea between Europe and Africa wasn ' t on my list, this just moved it further up to a place that looks like a fabulous escape. While the Sardinia of the book is a suspended snapshot of a bygone era, Sardinia ' s mountains and beaches are still beautiful ...
