On the left side. On the left side: B: The story takes place in Conn -- a town in western Ireland - during the 1980s. Conn is a rather conservative town with many farmers and shop owners. All of the conservatives are sitting on the right side during Sunday Mass while the principal character and nine other sinners are sitting on the left side.

There are a host of other applications of evolution--agriculture, forensics, bioengineering. But the importance of evolution extends beyond its practical side; evolution explains the diversity of life on this planet, shows us our connection to other living things, and reveals profound insights into the processes of nature.
