You can find the P90X schedule, the P90X lean schedule here, and the P90X doubles schedule here. From there, the printed P90X fitness guide has a description of the P90X equipment you need to do the workouts, and then each move in each workout and how to modify the moves. The Excel does NOT have a description of each of the moves... however, the DVDs are very clear on how to do each move, and alternative for modifying the moves are shown during the workouts.
