A key point from that article is that our constantly hearing about new “third” parties makes the inherent problem obvious. There are, of co ...

The problem for third parties? America is not a political free market.

In theory, yes — but probably not this party. Here’s why. Like many other political scientists, I have tended to be pretty dismissive about potential third party success in the U.S. Part of that comes ...

A third party could be successful. But probably not this one.

After the end of Reconstruction in 1877, states and cities became the hubs of power, and state parties became crucial. Federalism seemed to offer a road to national stability by allowing the ...

Should We End The Two-Party System?

Behind Haley Stevens’ drubbing of Andy Levin is a story that’s more complicated — and more local — than most coverage would have you believe.

Why a Michigan Democratic Political Dynasty Just Fell

Americans’ confidence in the integrity of the country’s electoral system is at an all-time low. A recent ABC News/Ipsos Poll found that 41% of Americans are not so confident, or not at all confident, ...

Partisan or not? Local election officials don’t tilt elections in favor of their party’s candidates

Sam Bankman-Fried has a big fortune and big plans for how to spend it — including an unusual political power-building strategy.

How the newest megadonor wants to change Washington

Both political parties are spinning the facts on whether the Democrats’ Inflation Reduction Act would raise taxes.

Sorting Out the Partisan Tax Spin on Inflation Reduction Act

The Claremont Institute,” he wrote, “is not interested in participating in the fiction that the Washington Post is a legitimate media outlet, or that its chronically discredited journalists are ...

Without Media Accountability, Republicans Will Govern Like a One-Party State

Senator Bernie Sanders, for example, is an independent, though the democratic socialist wouldn’t find a home in Yang’s avowedly centrist party. Sanders’s partisan inclinations aren’t unusual for an ...

Andrew Yang’s Third Party Is Going Nowhere

General elections for local offices are less than a week away, and when they’re over, the Hamilton County school board may look quite different — and so might the district’s libraries.

Partisan election, redistricting, mean changes for Hamilton County school board

Abortion rights activists won a huge victory in the red state of Kansas on Tuesday. Kansans voted overwhelmingly (59% to 41%) to reject an amendment that said there was no constitutional right to an ...

Kansas shows how abortion may change the midterm turnout dynamic

While environmental issues still aren’t key for most voters, research suggests candidates who have solid climate platforms do see a bump in California.
