In the politics of the United States, party switching is any change in party affiliation of a partisan public figure, usually one who is currently holding elected office.

# Read Online Party Position Change In American

Use of the term "party switch" can also connote a transfer of held power in an elected governmental body from one party to another.

One of the major causes of party position

# Read Online Party Position Change In American

change is the attempt by party elites to bring a new group into their coalition. This process differs in some important respects from the dynamics of coalition maintenance discussed in Chapter 2. Two well-known instances I explore in this chapter are the cases of abortion and gun control.
