Papers The series includes contributions from across a range of disciplines, including political science and political theory, public policy, international relations, economics and political economy, geography, philosophy, sociology, social policy, law, and history.

Papers

Research by CEPR Research Fellows and Affiliates appears initially in the CEPR Discussion Paper series. These Discussion Papers are circulated widely to other specialists in the research and policy community so that the results of the research receive prompt and thorough professional scrutiny. The Centre produces more than 800 Discussion Papers each year and has an archive of over 14,000 of them. Find Discussion Papers by specific programme area:
