2018 Over the past decade, the OECD Programme
for International Student Assessment, PISA,
has become the world's premier yardstick for
evaluating the quality, equity and efficiency
of school systems. By identifying the
characteristics of high-performing education
systems, PISA allows governments and
educators to identify effective policies that
they can then adapt to their local contexts.

This brochure highlights some of the results from PISA 2015. PISA shows that every country has room for improvement, even the top performers. With high levels of youth unemployment, rising inequality, a significant gender gap, and an urgent need to boost inclusive growth in many countries, we have no time to lose in providing the best education possible for all students.
