Many professors at undergraduate nursing schools encourage their students to develop a professional portfolio. But few of these same schools set aside the time students need to create a portfolio that is concise, professional, and encompassing. Here are some tips on how you can start a professional portfolio to advance your career in nursing.

Creating a Professional Nursing Portfolio • Nursing Examiner
Professional Mission Statement. To promote the treatment and health of all patients within my area of care to the best of my abilities, without any form of discrimination, to treat each patient equally and to always ensure that I have a conscience and be considerate to all of my patients and their wellbeing.

Professional Portfolio
A nursing portfolio is a compilation of anything and everything nursing related. The idea is to have everything in one place so that when you apply for a new position, apply for certification, or are asked for a copy of your CPR card, you've got it in a second! Some items that I included in my portfolio are:
