Power will now have access to billions of actual auto service records and analysis of those records after acquiring U.K.-based We Predict.*~~

J.D. Power Acquires We Predict Bolstering Auto Quality Analysis

North China's Hebei Province has recently completed and put into operation a demonstration project of a new-type 10 kV MW power system in Yingli Township, Pingshan County.

North China's Hebei Province completed a demonstration project for a new type of 10 kV MW power system

J.D. Power acquired the data and predictive analytics business of We Predict, a UK-based provider of global auto service and warranty analytics.
