Reading - BBC Teach

Reading is, of course, just as communicative as any other form of language use and as teachers our aim is to bring out that communicative element. For example by establishing direct communication between reader and writer by exploiting students' written work for reading practice (see below for ideas).

Making reading communicative | TeachingEnglish | British ...

Partly because of the demands of listening and speaking and partly because of the way speaking is often taught. It usually consists of language practice activities (discussions, information-gap activities etc.) or is used to practise a specific grammar point. Neither teaches patterns of real interaction.
