In Pressed for Time, Judy Wajcman explains why we Digital immediately interpret our experiences with digital technology as inexorably accelerating everyday life. She argues that we are not mere Page 10/36

hostages to communicatior devices, and the sense of always being rushed is the result of the priorities and parameters we ourselves set rather than the machines that help us set them.

Pressed for Time: The Acceleration of Life in Digital Capitalism, by Judy Wajcman. It's not machines but rather man that makes us dread Page 17/36

the clock's tick, Stina Lyon discovers. Occasionally a book comes around that you feel certain will make a difference to how social scientists think about the age we live in and its impact on our Page 18/36

daily lives.
