Book Review: Key Takeaways from Product Roadmaps Relaunched

" Product roadmaps matter. You can't build a great company unless you have a great strategy and a product roadmap is a way of clearly articulating that strategy. This book makes it clear how to develop the core components of a roadmap, the problem set, the value propositions, and areas of focus for the customer. "

Product Roadmaps:

A product roadmap is a high-level visual summary that maps out the vision and direction of your product offering over time. A product roadmap communicates the why and what behind what you're building. A roadmap is a guiding strategic document as well as a plan for executing the product strategy.
