Charities and tax - GOV.UK

A charity is exempt from tax on income arising in respect of rents or other receipts from land or property that it holds for charitable purposes insofar as the income is applied for charitable purposes only. This exemption includes, for example, rental income. The exemption does not generally extend to income derived from additional services such as catering or conferencing activities. The above exemption applies to income from both UK and overseas property.

The exemption for properties that have significant pyritic damage was extended by the Finance (Local Property Tax) (Amendment) Act 2015. This exemption applies to residential properties that have been shown to have a significant level of pyrite damage. In these cases, the properties will be exempt for approximately 6 years.

Exemptions from Local Property Tax - Citizens Information

Abstract. Driven by increasing pressure on local budgets, some municipalities have sought a reexamination of the property-tax exemption for nonprofit organizations provided by state law. The property tax is a major source of revenue for many municipalities, and large nonprofits such as universities and hospitals may own significant portions of land within a given city.

The Charitable Property Tax Exemption and PLGTs in Urban -

A "yes" vote supports exempting from property taxes property owned by a 501 (c) (3) public charity if the property is owned exclusively for the purpose of building or repairing single-family homes and the charity provides interest-free financing to the individual (s) purchasing the home.
