Use of Quotation Marks - APA Style
APA in-text citation is generally written with the last name of the author and year of publication separated by a comma inside the parentheses, but for direct quotations, the page or paragraph number has to be included.

APA Quote Citation | APA Format
APA Short Quotation Examples 1. The author of the study observed, "The medications showed little effect when initially provided to patients"... 2. According to Sanchez (1999) "President Lincoln was the most influential statesman in American history" (p. 225). 3. Chung (2001) argued that "Germany ...

Step 11: Research Paper Quotes and Citations (APA)
All examples follow APA style rules. Note that APA papers tend to include few direct quotations, as paraphrasing is the preferred method of citing sources. Quotations are normally reserved for definitions, to capture an author's apt phrasing, or to interact with the specific wording of the source (Publication Manual of the American Psychological Association, 8.25). The Basics

Integrating Quotations | Part 1 (APA) - The Nature of Writing
If you're using the citation style of the American Psychological Association (APA), the format of your Reference List entry will differ if you're citing an online article as opposed to a print article. Any time you quote or paraphrase from the source, you'll also need to include an in-text citation at the end of the sentence. Method 1

How to Properly Cite a Web Article in APA - wikiHow
Papers and publications within the social sciences, business and nursing typically use APA documentation format to acknowledge sources. As explained in the sixth edition of the "Publication Manual of the American Psychological Association," quoted material should appear exactly as it does in the original, but you may choose to omit unnecessary ideas from a quote.

How to Omit Part of a Quote With APA | Pen and the Pad

APA citation basics When using APA format, follow the author-date method of in-text citation. This means that the author's last name and the year of publication for the source should appear in the text, like, for example, (Jones, 1998). One complete reference for each source should appear in the reference list at the end of the paper.
