Her widely recognized monograph Scenes of Subjection: Terror, Slavery, and Self-Making in Nineteenth-Century America (1997) focuses on everyday acts of anti-black violence and forms of black resistance during and after the time of racial slavery in the United States, seeking " to illuminate the terror of the mundane and quotidian rather than exploit the shocking spectacle. " ¹ Drawing on a wide variety of archival sources, including slave testimony, newspaper articles, government documents ...

tims. These present day sonic re-tellings of slavery occupy an anachro-nistic popular space where race and identity politics found in popular discourses collide with historic truths. This essay seeks to tease out how hip-hop aesthetics provide context for engaging slavery as a physical, cul-tural, and sonic space of (southern) black identities.

re-imagining slavery in the hiP-hoP imagination

Book Description. Traces and Memories deals with the foundation, mechanisms and scope of slavery-related memorial processes, interrogating how descendants of enslaved populations reconstruct the history of their ancestors when transatlantic slavery is one of the variables of the memorial process. While memory studies mark a shift from concern with historical knowledge of events to that of memory, the book seeks to bridge the memorial representations of historical events with the production ...

Traces and Memories of Slavery in the Atlantic World - 1st ...

Modern slavery is an umbrella term for all forms of slavery, human trafficking and exploitation. It is a crime that affects some of the most vulnerable in society. It is often hidden from view and many victims also do not self-identify, which means that quantifying the number of victims is challenging.
