Read this in HS for lit class. Loved it, still have it ...

So, how to read a modern painting? Have a Look. Art should attract you through your perceptions. That does not mean that a painting has to be beautiful to be good, but it should grab your attention in some manner. Give the piece a minute to do its thing -- some works are intriguing in subtle ways.

How to Read a Painting? - Virtosu Art Gallery

Divide the children into pairs. Ask A to close their eyes or have their back to the painting while B has their eyes open, facing the painting. B describes the painting for A to imagine. Take a mental photo. Tell the children that they are going to have the time you count to 10 to look at the painting as closely as possible.
