The jumbies - the douens, spirit children with backwards feet, the La Diabless, beautiful women with one cow's hoof for a foot, the lagahoo, werewolf like creatures in chains, the soucouyant, old ladies who can remove their skin to become fireballs - are creatures from stories told to children in the Caribbean, stories Baptiste was told herself as a child in Trinidad.

Savvy readers ages 8-12 may be able to jump into Rise of The Jumbies feet first without reading its predecessor, The Jumbies, but I'd recommend starting there anyhow. Try that, and your child can wave 'hello' to her next favorite series." --Guam Daily Post
