Refugee definition is - one that flees; especially : a person who flees to a foreign country or power to escape danger or persecution. How to use refugee in a sentence.

Refugee | Definition of Refugee by Merriam-Webster

A refugee, generally speaking, is a displaced person who has been forced to cross national boundaries and who cannot return home safely. Such a person may be called an asylum seeker until granted refugee status by the contracting state or the United Nations High Commissioner for Refugees (UNHCR) if they formally make a claim for asylum. The lead international agency coordinating refugee ...

Refugee - Wikipedia

A refugee is someone who has been forced to flee his or her country because of persecution, war or violence. A refugee has a well-founded fear of persecution for reasons of race, religion, nationality, political opinion or membership in a particular social group. Most likely, they cannot return home or are afraid to do so.

What is a Refugee? Definition and Meaning | USA for UNHCR

Refugees are people who have fled war, violence, conflict or persecution and have crossed an international border to find safety in another country. They often have had to flee with little more than the clothes on their back, leaving behind homes, possessions, jobs and loved ones. Refugees are defined and protected in international law.

UNHCR - What is a refugee?

Refugee, any uprooted, homeless, involuntary migrant who has crossed a frontier and no longer possesses the protection of his or her former government. Prior to the 19th century the movement from one country to another did not require passports and visas; the right to asylum was commonly recognized and honoured.

refugee | Definition, History, & Facts | Britannica

Refugees are people who are seeking a safe haven after being forced to flee violence, persecution and war. Chased by bullets and bombs, children and families are literally running for their lives. The word refugee come from the word refuge – "the state of being sheltered from pursuit, danger or difficulty" 1.

A Refugee's Journey: New York, for the First Time - YouTube

An exile in London—"a refugee," as it is termed—he scarce knew what to do. There was comfort in this—the others must also wait, and the refugee could not go far. He was a refugee, after all, and only too anxious to go into hiding for a few weeks. "Nothing at all—a refugee is not supposed to have belongings," replied his wife.
