Research Paper on Poverty | WOW Essays

Research Paper on Poverty. Introduction. Poverty is a common phenomenon in many countries. The most affected are developing countries, but that does not mean that developed nations have eliminated poverty entirely. Every government must increase the living standards of its people with the aim of bridging the gap that exists between the rich and the poor.

Abstract Poverty is a major contributor to the failing educational performance of students in the United States. Low socioeconomic status affects physical well-being, brain development, educational performance, self-esteem, and self-efficacy. Because 20% of children in the United States are classified as living in poverty, the impact of these numbers creates an immense strain on the public educational system.

The topic I have chosen to research for the final paper is Poverty & Income Inequality. This is an extremely important issue as it affects so many people globally. Although most people go through various struggles at one time or another over the span of their lifetime, for the more than 3 million people living in poverty, the struggle is constant.
