ROCK. Morocco Rock produces modern rock climbing guidebooks to the Anti-Atlas region of Morocco – a surprisingly accessible area in the heart of a mystical and ancient culture. This area of Morocco is a ‘must visit’ location for any adventurous climber seeking a winter sun trip between September and May. There is an extensive amount of trad climbing here, with multi pitch routes, as well as roadside cragging, covering all grades, and with a smattering of bolted routes around the ...

The foundation of any British Mountain Guides' experience is derived from our adventurous approach to rock climbing, for which British climbers are world renowned. Most British guides took their first steps towards becoming Guides through rock climbing, and the first of the series of stringent Guides' tests takes place on British rock.
