ROVER Car Manuals PDF & Wiring Diagrams above the page - 25, 45, 75, 200, 400, 600. Few people know that the history of the legendary Rover brand began back in 1887 with the production of bicycles. Almost until 1904, William Sutton and John Kemp Starley almost did not think about developing a car, until they decided to release the first Rover 8 model.
