COST Arts and Technologies Workshop (CAT)

This past week in Art as Discourse, we read Roy Ascott's 1990 essay "Is There Love in the Telematic Embrace?". According to Ascott, there is, or at least, there could be. Ascott says that telematics, "involves the technology of interaction among human beings and between the human mind and artificial systems of intelligence and perception.

Is There Love in the Telematic Embrace? | Marginalia

The building was designed by H. G. Crothall, the county architect, built by Mssrs Leslie & Co at a cost of £28,00 and equipped with all the latest appliances. It was a three-storey structure, roughly H-shaped in plan.
