Hymns and Psalms and Sacred Songs is an uplifting and rousing anthem with soaring melodies and rich harmonies. It is available in three versions: Full SATB and Organ; Unison and easy organ; and unaccompanied SATB Choir. There are also score and parts for flexible instrumental ensemble available. A performance of the SATB and organ version is available to listen to, and a recording of the organ part alone is available to download to aid rehearsal for those churches without an organist.

Sikh music or Shabad kirtan is Kirtan-style singing of hymns or Shabad from the Guru Granth Sahib, the central text of Sikhism.
