Salt Book

Well written book about the history of salt and its contribution to the world. Tonnes of interesting information, snippets from old recipe books (and I mean old) and a few pictures dotted in. The author never treats you like an idiot and the "story" moves along through to recent times.

Salt (novel) - Wikipedia

Salt. is a collection of poetry by Nayyirah Waheed. I wanted to know more about her and her life, but I didn't find anything. I guess we get to actually know her through her poems. I wouldn't even call it a book because it is more than that. It isn't just a story told through written words. These
