I have read a couple of Sarah holland books before, notably ungoverned passion, and have found the male hero strong, arrogant and dominating but also passionate, vulnerable, and willing to fight for their women. This hero was cringe worthy, I couldn't see how any woman would find him at all attractive.

My first Sarah Holland book! This book is so hot right from the beginning. It is not at all graphic like some of the newer HP tend to be. It is just a well written exciting story line that gets you involved from first pages. Hero is a dominant male and from the giddyup he lets heroine know he wants to dominate her.

The Dominant Male by Sarah Holland, unknown edition, "Won't you sit down Mr....." "Stone," he said softly, and smiled as he sank down into the chair opposite her, his powerful body making her nerves quiver as he put his hands behind his strong dark head, leaning back, watching her from below hooded eyelids, "Gabriel Stone."
