In StarCraft II you can earn achievements by accomplishing various tasks in the campaign, by playing custom games against the A.I. and by playing against human opponents in unranked or ranked play. These achievements are split into ten categories, of which the first nine unlock medals depending on the number of achievement points you've earned in that category.

One of the most critical aspects of strategy in Starcraft 2 is your "build.". A build is simply the rough order in which you choose to construction your buildings and units. Having a build results in two things. First, the build gives you a basic plan. This is critical for players stuck in Bronze, who often don't even have a plan when they go into battle.
