What better way to focus on sight-words than with skill-building stories students can read on their own! Our easy-to-follow books are filled with predictable sentence patterns that reinforce common sight-words...with helpful illustrations that closely support the text. Best of all, each book is entirely made up of just sight-words and simple rebus pictures, giving kids all the focused ...

## **Sight Word Readers Parent Pack - Books-A-Million**

I created these stories to help students understand and remember the Dolch words in a comprehensive format. These stories may be printed out and read often. Students may also add pictures to help their comprehension of each story. Click on each link and enjoy!

## **1st Grade - Serena / Comprehensive Dolch Word Stories**

Just Words®: For students in grades 4-12 and adults who are decoding and encoding below grade level. Wilson Reading System® (WRS): For students in grades 2-12 and adults who are not making sufficient progress in their current intervention or who may require more intensive instruction due to a language-based learning disability, such as dyslexia.

## **Parents | Wilson Language Training**

The children we see who have difficulty with reading tend to fall into two categories: 1) readers who have trouble sounding out the words, or decoding, and 2) readers who can say the correct words but have trouble understanding the meaning of a text, or comprehension. As you can probably guess, poor decoding often causes poor comprehension.
