Snip Snap What ' s That, is about three kids running scared from an alligator. The kids hide, run, shut the door, and cried until they were done and decided to chase the alligator out. This cute little story had a twist at the end that I wasn ' t expecting. I think this book is great to help kids learn about different kind of sounds and movements.

I'd rank it right up there with Go Away Big Green Monster for the two-year-old set - it's THAT good. It's that good because the author does an extraordinarily good job in building anticipation. It starts out deliciously.
