But many in the health sector found this change attractive because it could potentially break the monopoly of the hospitals and the dominance of secondary and tertiary care, and provide opportunities for entry of new providers. M?ori, for instance, have welcomed the growth of health services provided by M?ori.

This is not what the law
says in Aotearoa. It is an
overly simple take on the
child protection social work
mandate, and it is not what
decent practice requires.
The reasons for practice
shortfalls are complex.
Workloads are still often
unacceptably high and as the
Report notes, supervision
practice is often
inadequate.
