Sometimes I like to curl up in a ball, so no
one can see me because i'm so small.
Sometimes I like to jump high as I can To see
how much noise I can make when I land.
Sometimes I like to scream ever so loud, not
that I'm cross, I just like how it sounds.
Sometimes I like to just walk round and round
I pigeon step pigeon step, till I fall down.

Sometimes I Like to Curl Up in a Ball, by Vicki Churchill, is a book full of actions. I like to have the kids try to do what the Wombat in the story does. Most of it is doable in a classroom setting. Some of it requires a little imagination. This book lends itself well to a lesson on body awareness (basically, a simple form of Anatomy).
