Words that have become stumbling blocks to the religion, says internationally renowned Bible scholar Marcus J. Borg. Borg argues that Christianity's important words, and the sacred texts and stories in which those words are embedded, have been narrowed by a modern framework for the faith that emphasizes sin, forgiveness, Jesus dying for our sins, and the afterlife.

This allows us to see Christian language in its ancient historical context and interpret the biblical text in a way that focuses on its religious purpose, thereby conveying the words richer and more powerful meaning. Speaking Christian explores such words and phrases as salvation, redemption, grace, eternal life and the Lord's Supper.
