Eye exams for children are required under federal law to be covered by most private health plans and Medicaid, and many states mandate school vision screenings. But a federal survey finds that a ...

Children ' s Vision Problems Often Go Undetected, Despite Calls for Regular Screening

So, plans were completed, negated, revised, and re-revised, constructing a hoped-for 2021-2022 season. That “ Re: Vision ” season successfully concluded last Saturday night with a festive and ...

Vision revised, then realized

ELIZABETH HULL FROMAN is a New Yorker via Washington, D.C., and Minneapolis. This is her first appearance in the Atlantic.

Perfect Sight Without Vision

One tip I learned though is that you have to use tunnel vision when picking out spots to take a picture. For instance, we have a grill on our back porch with a black protective cover over it. I placed ...
