Reliquary by Martha Wells is the second book in the Stargate Atlantis series. While it did start off slowly (setting the scene and introducing a variety of characters is tough to do in a quick and yet still thorough manner), it managed to hook me and reel me in.

Stargate Atlantis: Reliquary by Martha Wells
Reliquary contains none of the reams of extraneous, inconsequential detail that are so common in the other Atlantis books (even the decent ones) but explains the plot and setting well. I found the premise was plausible and well-executed within the boundaries of the show's universe.

Stargate Atlantis (stylized as STARGATE ATLANTIS and often abbreviated SGA) is a Canadian-American adventure and military science fiction television series and part of MGM's Stargate franchise. The show was created by Brad Wright and Robert C. Cooper as a spin-off series of Stargate SG-1, which was created by Wright and Jonathan Glassner and was itself based on the feature film Stargate (1994).
