State Building and Conflict Resolution in Colombia, 1986 ...

This article examines the relationship between post-conflict peace-building and state-building. In so doing, the article illustrates the process of the expansion and transformation of "world international society". By comparing the process of the formation of sovereign states in modern Europe and state-building activities in post-conflict societies in the contemporary world, the article seeks to identify dilemmas of peace-building through state-building.

Peace-building and State-building from the Perspective of ...

politicians, and scholars to analyze the strengths and weaknesses of state building through conflict resolution. Kline concludes that Barco's and Gaviria's efforts at conflict resolution were only partially successful and points to three major culprits: the lack of a tradition of peaceful conflict resolution in the country; the

Step 1: Prepare for Resolution. Acknowledge the conflict - The conflict has to be acknowledged before it can be managed and resolved. The tendency is for people to ignore the first signs of conflict, perhaps as it seems trivial, or is difficult to differentiate from the normal, healthy debate that teams can thrive on.
