Life Young Women Write  
Collected by the former news editor of The Big Issue, 'Street Life' is an inspirational and completely honest anthology of what life is really like for young homeless women. Each young woman's story features their unique experience of homelessness and despite the seriousness of the subject matter remains a positive read. Street Life shatters any public misconceptions about life on the streets and the idea of it being a chosen condition.

Kate credits this amazing project with opening her eyes to the issues that young women face - and the support they so desperately need to progress positively through life. This, coupled with her work with young women at Romsey Mill as part of the social inclusion youth team, saw the idea for Turtle Dove begin to take shape.
