IGM Says (Best buy, Best first bike)  
VS800 Marauder: The savings over  
buying the Marauder over the 800  
Intruder will get slightly better  
handling, but you ' ll sacrifice the  
shaft drive. Over the years, you will  
spend more than you ' ll save on the  
Marauder (over the Intruder) on  
chains and sprockets for this one. I ' d  
go with the Intruder.

The Suzuki Intruder is a line of cruiser motorcycles that was manufactured from 1996 until 2004, when it was replaced with the Suzuki Boulevard line. The Intruder 800 represents the entry-level model. Due to the bike's relatively large engine displacement, however, it is still best suited to those with previous experience on motorcycles.
