Taiko is a drumming style of Japanese origin. While various taiko drums have been used in Japan for over 1400 years, and possibly much longer, the style of taiko best known today has a relatively short history, beginning in the 1950's. This give you a chance to dig deeper into taiko history and brush up on your Taiko vocabulary.

Taiko Resource: Taiko Overview and History

Although many taiko ensembles play a version of Matsuri, our arrangement 's choreography and rhythms are unique to Soh Daiko and allow us to share our true spirit with our audience. Another ECTC staple is the opportunity to attend discussions by pioneers and activists in the taiko community.
