Tangled by Em Wolf - Goodreads

Brilliant for a debut. I high hopes for Em Wolf and will read more from this author. Although it's along similar themes with Find you in the dark series (Meredith Walters) and the Real series (Katy Evans), Tangled is complicated with darker issues more than just psychiatric illness. Em Wolf (Author of Tangled) - Goodreads
Tangled is just pure old-school "new adult" awesomeness. The writing is great, the character development is great, the inner-dialogue, the actual dialogue, the reactions... how she feels, how he is... the best friends... and then the reveal (or at least one of 'em... so far anyway), and OMG my HEART. It's like Z, and Travis and a true PAIN IN THE A\$\$ bully... all wrapped into one. I am ...

Tangled By Em Wolf First order of business, this book needs to get a better cover and title. It is so much better than what you get at face value. I thought it would be some silly, bratty kids pissing away their parents money, doing drugs and sexing all over the place. They aren't even in high school anymore. They are sophomores in college who live and act like adult nearing 30. Their lives ...

Tangled has everything I love in a romance: love-triangle, friend-zone, flawed bad boy, angst, forbidden romance, hate at first sight, addiction, strong heroine. This book was HOT! I loved the characters. Their chemistry was FIERY and INTENSE! The angst hurt SO good! The author laid out all of the elements I enjoy in a love story, nicely. I'm ...
