~~of C++ | Tushar's Blog~~

Should I Learn C
First? No, you don't
need to learn C first.

C++ is a much more
powerful and versatile
language that was
created by Bjarne
Stroustrup as a
successor to C.

Learning C first can
lead you into some
programming habits
that are more error-

Online Library Teach Yourself

prone than what you'll
do in C++. This book
does not assume that
readers are familiar
with C.
