The more the group members are used to team work and the better the support from the leader, the faster the group will reach the "Performance stage".

The group development process is not linear: a group that has reached the 3rd or 4th stage can easily fall back into the "Storming" stage.

Quiz Chapter 8

Flashcards | Quizlet

A team cannot be
expected to perform
well right from the time
it is formed. Forming a
team is just like

Download File

PDF Team

maintaining a relationship. It takes time, patience, requires support, efforts and members often go through recognizable stages as they change from being a collection of strangers to a united group with common goals.
