What Does the Anthropology of Space Look Like?
At first sight, anthropology and

File Type PDF

The

space exploration
may seem to be
two completely
different fields with
nothing or very
little in common.
When one thinks
about space
exploration, the
most common
associations are
with disciplines
such as
engineering,

File Type PDF

The

physics, medicine,
robotics, IT, and
others related to
the technology
required for the
endeavour and for
keeping humans
alive.
