The best book on photography as an approach to personal expression that I have seen. In our age of high tech equipment and mega pixels, the author says: " Alone or together, good composition and technical prowess don ' t imply fine art. A great number of photographers can produce exquisite photographs that say nothing and inspire nobody. "

The result is a first-hand analysis of this contemporary and still changing art form that has both religious and commercial impact on the Hopi carvers. Only a trusted, sympathetic student of the Hopi culture could have compiled the background interpretations of the dolls and won the respect of the carvers.
