The Arts of Leadership Keith Grint Abstract. Leadership is still much discussed, studied, and sought after, even though we now live in supposedly more democratic times with flatter organizations and empowered employees. But how can we best understand leadership? Are leaders born or made? Do they have particular traits or are we all potential ...

Arts of Leadership - Oxford Scholarship

Leadership is an art that can be developed through mastery of nine key areas of success. The successful leader must possess knowledge and skills in the following areas: understanding leadership variables, the power of vision, the importance of ethics, the empowerment of people, leadership principles, understanding people, multiplying effectiveness, developing others, and performance management.

She is also a member of the British Library Advisory Council, of the Investment Committee of the Arts Impact Fund and of the Governing Council for the European Foundation Centre.

The Art of Leadership: Episode 1, About a Board | Arts ...

The Art of Leadership is based on two ideas: 1. Leadership will take place to the extent the leader cares about the work to be done. Equally important, the leader must care about people. Neither of these qualities is sufficient without the other, and neither can be false. People know when the leader cares. When the leader is committed to the task and is concerned about people, these qualities ...
