The Beak of the Finch: A Story of Evolution in Our Time by ...
"The Beak of the Finch is brilliant . . . one of those rare books that permanently alters one's view of nature and even of life and death."--Richard Preston, author of The Hot Zone "Evolution in the flesh, a landmark in evolutionary studies." --Los Angeles Times "Evocative writing, exhaustive research, and Weiner's memorable portrait of the engaging Grants assure The Beak of the Finch ...

The Beak of the Finch: A Story of Evolution in Our Time ...
The Beak of The Finch is, however, an interesting book. It's about evolution and more specifically about the finer points of speciation. The central question - how can separate species form without geographical isolation - is explored through the recent history of Darwin's Finches in the Galapagos Islands. The book reports and analyses the work of Rosemary and Peter Grant, who have spent more ...

The Beak of the Finch: Story of Evolution in Our Time ...
The Beak of the Finch should be at, or near, the top of everyone's reading list. "All times seem special to those who live in them. But it is neither parochial pride nor shortsighted despair to say that our time is more special than others.
