The Body in the Ice is a clever, twisty, murder mystery embellished with lots of authentic period detail. The American War of Independence is touched upon, along with slavery. The story raced along to a nail-biting conclusion.

The Body in the Ice: A gripping historical murder mystery ...

With the excitement of a new family coming in, there is apprehension when a body is discovered of a young man encased in ice in the horse pond. There were many things here to like. There was the historical fiction angle, there was plenty of mystery and murder, it was also very much a family saga coming down the generations and then there was the setting between two countries and the time of 1796.

The Body in the Ice by A.J. MacKenzie

The Body in the Ice, with its unique cast of characters, captivating amateur sleuths and a bitter family feud at its heart, is a twisting tale that vividly brings to life eighteenth-century Kent and draws readers into its pages. Genre: Historical Mystery

The Body in the Ice (Romney Marsh Mysteries, book 2) by A ...

The Body in the Ice. Christmas Day, Kent, 1796. On the frozen fields of Romney Marsh stands New Hall; silent, lifeless, deserted. In its grounds lies an unexpected Christmas offering: a corpse, frozen into the ice of a horse pond.

The Body in the Ice by A. J. MacKenzie | Waterstones

Christmas Day, Kent, 1796 On the frozen fields of Romney Marsh stands New Hall; silent, lifeless, deserted. In its grounds lies an unexpected Christmas offering: a corpse, frozen into the ice of a horse pond. It falls to the Reverend Hardcastle, justice of the peace in St Mary in the Marsh, to investigate.

The Body in the Ice - A.J. MacKenzie | Readers First

The Body in the Ice. Written by A. J. Mackenzie Review by Tracey Warr. It is an exceptionally cold winter at St Mary in the Marsh on Romney Marsh. On Christmas Eve 1796 a body is discovered encased in the ice of a pond at New Hall House, and a hunt is on for the murderer.

The Body in the Ice - Historical Novel Society

It's a story of divided families and mixed loyalties and bitter conflict, set in the cold heart of winter in a country at war. It opens on Christmas Day, 1796, with the discovery of a body of a young black woman frozen into the ice of a pond outside New Hall, a big house near St Mary in the Marsh.

Book Drunk: The Body in the Ice by A.J. MacKenzie

Body Ice topical analgesic contains the active ingredient, menthol, which is considered to be a "counter-irritant." The exact mechanism of menthol's pain relief is not clear, but it's believed that menthol stimulates temperature receptors in the skin that are associated with an analgesic (pain-relieving) effect.

Body Ice – Cooling pain relief

Really enjoyed this – you know I love my modern detective stories but sometimes its nice to read a mystery set in a time when there were no mobile phones or DNA matches or anything really except legwork, good old fashioned common sense and the use of the little grey cells (Yes this is a little bit Christie) This is my first novel in this series although I have the other one sat in the never ...

The Body in the Ice. - Liz Loves Books.Com.

The late eighteenth century is a newish period for me, but The Body in the Ice appears (as far as I can judge) to be well grounded historically and geographically. Historically this is the period after the end of the American War of Independence, so Britain and America are at peace, but Britain and revolutionary France are at war with the constant threat of a French invasion.

The Body in the Ice by A J MacKenzie – BooksPlease

The Body in the Ice : A gripping historical murder mystery perfect if you love S. J. Parris. A twisting tale of murder, mystery and eighteenth-century England by a dramatic and gripping new voice in the genre.

The Body in the Ice eBook by AJ MacKenzie | Official ...

Secondly, the death would have to take place on non-moving ice (ice patches), allowing the ice to preserve it without crushing it. Thirdly, the body would have to stay on the surface for an initial freeze-drying before being encapsulated in the ice, without scavengers destroying it in the meantime.

Ice mummies - Secrets of the Ice

The Man in the Ice In September 1991, Erika and Helmut Simon were walking in the Alps near the Austrian border with Italy, when they came upon the body of a dead mountaineer. Only the head was visible above the ice. It appeared to be the body of a woman, and they assumed that she might have died ten or twenty years ago.

The Man in the Ice

You can also read our recently published paper, An advisory body for Northern Ireland, in which we outline the benefits such a body could have. *ICE welcomes guests to share their views about infrastructure policy issues on the Infrastructure blog.

A step closer to an Infrastructure Advisory Body for ...

The site was at in a position which meant only experienced mountaineers could easily reach it; these mountaineers didn't have the knowledge to recognise the exceptional nature of the objects found with the body, and damaged them; previously the oldest bodies to come out of the ice had been about 400 years old, and these had been reduced to smithereens, so naturally the mountaineers assumed this well-preserved body must be quite recent; bad weather made bringing in experts in helicopters ...

The Man in the Ice: The Preserved Body of a Neolithic Man ...

The Institution of Civil Engineers (ICE) is an independent professional association for civil engineers and a charitable body in the United Kingdom. Based in London, ICE has over 25,000 members, of whom three-quarters are located in the UK, while the rest are located in more than 150 other countries.
